

JUNE REPORT 2020

INTRODUCTION.

Bridges of Hope and Empowerment Goal is in embracing, equipping and empowering the most vulnerable children and youth in the society through education and training.

We continue to restore hope and positive transformation in many lives by initiating programs that leads to a conducive learning environment to the children and self sustainability to the youth and families thus reducing dependency.

BOHEI has been able to offer learning scholarships to various individuals in primary schools, high schools and universities level. Gardening projects , mentorship and the supply of learning materials are part of our programs.

FEEDING THE HUNGRY DUE TO COVID-19

From early March 2020 the Corona virus was declared a world pandemic . Most of the families were greatly hit by the guidelines that the government gave in order to reduce the spread. Stay at home and self quarantine became the order of the day, most businesses were shut down and those who work and get paid daily wages were laid off.

Many couldn't afford a days meal and the most affected were children. Bridges of Hope And Empowerment took initiative, stepped in and started to provide food to the most vulnerable families in partnership with Kahawa west Local admiration office Led by Mr. Kimani the area chief. The Food was donated by BOHEI and well wishers who advised to remain anonymous

So far we have been able to feed 60 families and we still continue to walk in the path generosity to feed more . We are duly thankful to all who have participated in this noble work, you are truly a blessing. More families are still in need of food, we are therefore calling for more to volunteer and donate food, a packet of flour or rice will help one family for a day.

EDUCATING AND CREATING AWARENESS IN THE COMMUNITY

The spread of the coronavirus (COVID-19) is the most serious global health security threat in decades. More than 14,664,059

cases of COVID-19 have been reported to WHO, and more than 609,279 people have lost their lives. Our hearts go out to all who have been affected by the outbreak, and we are deeply grateful to the thousands of healthcare workers who are on the front lines helping their communities. BOHEI organization is one of the organizations working on humanitarian intervention in Kenya through provision of primary services as well as other humanitarian interventions, however, the main beneficiaries are vulnerable population in Kahawa west. BOHEI staff are in contact with these community members with the help of the area chief. In this backdrop, BOHEI management team having seen the spread of the COVID-19 across the globe and cases keeps on being detected in every day, hence creating concern on the severity and the vulnerability of communities due to its poor health system and lack of awareness. Thus, BOHEI management team have organized 2 days in a month meetings to equip the community leaders with the right information and to enable them cascade the same to the communities they are serving, hence the programs are meant to serve the community leaders with better awareness and step taken in the event of the CONVID-19 spread in either their working areas or to the community in which they are Leading.

Bridges Of Hope and Empowerment Remains at fore front in fighting the spread of Corona virus.
