NOVEMBER REPORT 2020

INTRODUCTION.

Bridges of Hope and Empowerment

Goal is in embracing, equipping and empowering the most vulnerable children and youth in the society through education and training.

We continue to restore hope and positive transformation in many lives by initiating programs that leads to a conducive learning environment to the children and self sustainability to the youth and families thus reducing dependency.

BOHEI has been able to offer learning scholarships to various individuals in primary schools, high schools and universities level. Gardening projects , mentorship and the supply of learning materials are part of our programs.

FEEDING THE HUNGRY IN KAMAE SLUM (KAHAWA WEST) DUE T0 COVID-19

Kenya is a lower-middle income economy. Although **Kenya's** economy is the largest and most developed in eastern and central Africa, 36.1% (2015/2016) of its population lives **below** the international **poverty line**. This severe **poverty** is mainly caused by economic inequality, government corruption and health problems and Covid-19 pandemic. A third of Kenyans are living below the poverty line, a new report that paints a sad picture of the indignity that millions are going through has revealed.

Bridges Of Hope and Empowerment As an Non profit organization has been at the forefront during this difficult time. We have reached the most vulnerable by donating fresh food.

we have supported many families and we hope to support more with your continuous help. lets practice unity and togetherness during this difficult moments.
